

## Track Drill

Sno-Stuff track drill is designed to drill stud holes quickly and easily. This special track drill is designed to cut through the track, instead of burning through. It leaves a clean hole and makes studding much easier. Available for 7mm, and 5/16" studs.

Part#	Length	Price
725-016	7mm or 5/16"	\$9.99
725-017	1/4"	\$8.99
