Custom / Flared Windshields

Unique styling and graphics is what sets these windshields apart from our Standard replacements. Bold graphics make that custom statement for your sled while the unique design of the flares offer superior hand and upper body protection from the elements. If your looking for more, then choose from our Custom / Flared Windshield selection.

Standard Replacement Windshields

Designed with the stock look in mind, our Standard replacement offers the same graphics, shape and height profiles as your OEM windshield that came with your sled. In most cases we also offer additional height and color choices that you cannot get from your sled manufacturer that remain true to the STOCK look, but add a little extra comfort and style.
