RV RENTAL - IMPORTANT INFORMATION

To insure that your pick up goes smoothly, we have highlighted these important items that cause departure delays. Thank you and we are looking forward to putting you on the road to your RV adventure!

There is a reservation deposit that is applied towards the payment of your rental unit. The balance of the rental fee must be paid **ONE WEEK PRIOR** to the pickup of the unit.

An appointment must be made for the unit check-out and return.

It is vital that the person's name that is on the Rental Application must be present on the day of the departure to sign the Rental Agreement. Make sure you have with you your Valid Drivers License with picture. **It is imperative that Bonner Sports have a valid insurance binder from your insurance company covering "physical damage (up to replacement value) of an un-owned trailer". If this type of coverage is not available from your insurance company you will be required to purchase this insurance from Bonner Sports.**

SECURITY DEPOSIT - A security deposit of \$500 is required a time of rental. The deposit must be made with a valid credit card, cash or money order. The deposit will be reimbursed to you if no damage has been incurred. Unit must be returned in the condition it was received in, along with all of the items supplied by the dealership. If it is not, the security deposit will not be refunded with the possibility of charges above and beyond the deposit per dealer inspection.

When delivering your rental the location must be available for us on our arrival. Renter must also be present at our arrival. All paperwork, payments, and unit orientation must be completed at our dealership prior to us leaving for your destination. Unit will only be placed at destinations that we can safety access and properly set the unit.

Remember, your departure will take about an hour to sign paperwork, perform the comprehensive interior and exterior orientation and familiarization walk through that will instruct you on the safe use of the unit. The next several pages include general information about some of the features in the unit to help you familiarize yourself with an RV. All of the following items will also be covered in the comprehensive interior and exterior orientation. Feel free to bring any questions that you have with you at that time.
