

BONNER SPORTS & RV

*A Great Experience...
Every Customer, Every Day*

Who we are...

Bonner Sports & RV is a family owned, premier RV dealer in Pennsylvania, specializing in new and used travel trailers, 5th wheels and motorhomes. With over 50 years' experience, our dedicated staff will always provide a friendly, low-pressure atmosphere. Our people make the difference. Let us show you how!

Why choose us.

Competitive upfront pricing. No pressure sales.
Comprehensive walk-through on delivery day. Exceptional service after the sale.

Before, during and after the sale, our goal is a great experience.

bonnersports.com

Why Finance with Bonner Sports & RV?

- Convenience! No need to go anywhere else, you can purchase and finance your RV right at this location.
- We offer very competitive rates.
- Possible tax incentives with RV loans.
- Friendly, Knowledgeable Financing Staff.
- Longer Terms/Smaller Payments.
- Lower Down Payments, sometimes no down payment is required.
- Maintain your Personal Financial Flexibility.

Protect Your Investment!

We strongly encourage our customers to protect their investment on day one!

Protective XtraRide Service Contract – Peace of Mind Protection for Mechanical Breakdowns.

If you want an extended service contract that will be there when you need it, in the U.S. and Canada, XtraRide is the #1 choice! Protective XtraRide Service Contracts offer protection for new and used RV's. Exclusively endorsed by the Recreation Vehicle Dealers Association (RVDA).

Tire & Wheel - Road Hazard Protection

Enjoy the secure feeling of knowing you are protected while on the road! Tire & Wheel Protection not only covers the repair or replacement coverage for the tire on your RV but for your tow vehicle as well. With Emergency Roadside Assistance you will be on your way again in no time!

Duratain Surface Protection

Duratain not only protects the outside of your RV, but also the inside, awning, and undercarriage! The best part about this product is that you won't need to ever wax your RV and the undercarriage will be protected against rust! The Textile Coating for the interior is formulated to stop stains and increases the life of the materials by 50%. The awning, leather, and vinyl are coated with a transparent polymer bond that creates a protective barrier against oil, mold, and mildew as well as protects from permanent staining and creates a cleanable surface.

Gap Insurance

In the event of an RV theft or accident that results in a total loss, most insurance companies will only reimburse the owner for the market value of the unit at the time of the loss. This amount, along with the deductible, can create a significant gap between what the insurance company will pay and the balance on the loan. This protection closes that "GAP".

Why add these coverages when I purchase my RV?

- XtraRide provides additional coverage not included with a new unit manufacturer's warranty. Things such as Technical Assistance, Towing / Road Service, Travel expense and Food spoilage reimbursement are just a few.
- These products can be added to your financing for a small increase in your monthly payment.
- Now is the most economical time – XtraRide can be added at the end of your manufacturer's warranty but it will be significantly more expensive.
- Tire / Wheel Protection and Gap Insurance can only be added at the time you purchase your RV.

**Less time waxing...
More time fishing**

Get to Know Your RV.

On the day of your pickup, our RV Support Team will give you a thorough walk-through of your new purchase. What does a walk-through mean? We will go over all exterior and interior features and systems on your unit. This is your time to ask questions, take notes or take video (yes, some of our customers have taken video of their walk-through to have for future reference). We want you to be confident when you head down the road!

Don't forget the accessories! Do you need sewer hoses, water hoses or toilet chemicals? On the day of your walk through you will receive a \$25 gift card to be used in our store PLUS 10% off all in-store accessories.

Service After the Sale.

You have many choices of dealers and brands. So what's the difference? We think it is not just what you buy, but where you buy and the service you receive after you buy.

- Receive priority scheduling for all service work.
- Access to our RV Support Team for questions after you leave.
- A full time warranty administrator dedicated to working with our manufacturers on all your warranty claims.

Convenience and Safety at a Great Price.

Here are some popular 'add-ons' to your RV. Our experienced service technicians can have them installed and ready to go when you pick up your unit!

Make Your Life Easier.

Power front jack makes hook-up and set-up a breeze!

Better Ventilation.

Vent covers allow you to keep your vents open all the time and keep the rain out.

It's Good to Know Where You're Going!

Back your unit into your site quickly & safely the first time, every time, with our wireless back-up camera system and towing mirrors.

Keep your RV Cool and Comfortable.

Fantastic fans are high speed, quieter and more efficient for better ventilation.

Keep Your Battery At Full Charge.

Many new RVs are solar prepped. Add solar panels to charge your battery for dry camping.

Protect Your Investment

Slide-out covers provide additional water damage protection and extend the life of your seals by keeping the top free of debris.

Don't Just Park It

Protect It with an RV cover. Sizes to fit all RVs. Zipper access to entrance doors.

For Those Rainy Days and Quiet Evenings

Proper installation is a must. Let us install a 24" or 32" TV and mount package. Or, maybe even both!

A Must Have:

Tekonsha Primus IQ Brake Control-The smarter braking solution. The Primus IQ is an easy-to-set system that senses braking power needed for the trailer. The digital display shows voltage to the trailer during braking.

Load Equalizing & Sway Control Packages.

Reese Pro Series

The Pro Series weight distribution is engineered to provide the features you expect in a weight distribution kit at an economical price. New combination single piece cast head. Includes single friction sway control & hitch ball.

Equalizer E-2

E2 offers a unique two in one design that combines weight distribution with 2 point linear steel on steel friction sway control in one easy to use unit. The E-2 offers improved sway control and easier hook-up than the Reese Pro Series.

Equalizer 4 Point Sway Control.

The 4 point sway control provides superior sway control performance by using Rotational Friction Surfaces in the hitch head and Rigid Sway Control Brackets. This is the best choice for larger RVs.

5th Wheel Hitches

Reese 15K Pro Series.

The best value with a 4 way pivoting head, adjustable height from 13" to 17", and a 3 year limited warranty. Available in both slide and non-slide versions.

Reese Titan 16K.

With a 16,000# gross capacity, a new contoured handle, SAEJ62638 Compliant (fatigue & static tested to 900,000 cycles), cast head, jaw, and pivot beam. Available in both slide and non-slide versions.

Outside is Our Best Side!

Make It Easy and Fun to Get Around.

Great for the campground or river lot. In stock selection of used electric and gas golf carts with accessories available like rear seats, lift kits, lights and more. Delivery and service available.

Enjoy the Ride.

The beauty of camping is enjoying the great outdoors. What better way to explore than on a comfortable bike. Check out our great selection of Giant Comfort Series Bicycles. Let us properly install a bike rack on the rear of your new RV!

Fun on the Water.

No summer is complete without some fun on the water. Stop in our showroom and check out our line of Emotion Kayaks. We also have roof rack systems available that we can properly install while you're doing your walk-through on your RV.
